NORFOLK, VA., May 30.-Special. The election commissioners met this morning at 10 o'clock at the City Clerk's office and completed the canvass of the vote of Bradford, East, Manni one more than yesterday, Mr. Smith, one more than yesterday, all. Bradford, as on the day before, acted as chalyman, with L. L. Warring deputy clerk, ab secretary of the board.

It was decided, upon the advice of counsel representing both parties to the controversy, to go over and verify all of the business of the previous sitting. It was also agreed, upon advice of Mr. Thomas H. Wilcox, Commonwealth's Altorney, who by general consent was called in to render an opinion, to accept as regular all poll-books which had been written up by the judges instead of the clerks of election.

The judges and clerks of the First, Third, and Fourth wards were brought before the commissioners and corrected certain irregularities in the returns.

The judges threw out the vote in the Fourth ward received at the polis opened at Newton's Hill by C. Whittle Sams. The judges found that the books were not in proper form. The counsel for the Reformers noted protest.

The commissioners have furnished certificates of election to all of the Prohibition candidates except L. W. White, who was voted for as collector of city taxes, instead of collector of city taxes, and levies, and Mr. M. J. Chapman, keeper, instead of superintendent of the cemeteries.

The Reformers will go before Judge Brodie, of the Corporation Court, to have this question settled. They will also ask his Honor to require the certificates of election to be given to the six negro Councilmen from the Fourth ward, and it is said will show great irregularities and frauds in that ward.

John Hill, an old issue Republican in sympathy with the Reform movement, one of the judges in the Fourth ward at the Second precinct, went before the commissioners this morning and stated that the returns were not in accordance with the facts. That he acted as judge and knew the vote was fraudulent when he signed them. When this matter gets into court there will be interesting reading.

The Tariff Bill is Rapidly Reaching an Interesting Crisis in the Senate\_Republicans Anxious to Defeat it.

Times Bureau, Rapley Building, Washington, May 30, 1891.

The adjournment of both the House and Senate over to-day left the Capitol a deserted building save for the presence of few members who gathered in the various committee rooms.

The attitude of Senator Hill and the

tariff compilation by the Democratic National Congressional Committee were the leading topics of conversation, and both are subjects of much more than ordinary interest. Senator Hill is clearly the sphynx of the tariff debate. His intents and purposes are plunged in stygian darkfinally land as undiscoverable as the grave of Moses. He is opposed bitterly to the

THE CASIFIANCA.

He seems to imagine that all the balance of the Democratic senators have either been killed or lost overboard, and that he is the Casbianca of the period, heroically holding his post amid the wreckage around him and the rapid disintegration and downfall of the party with which he had shipped. One thing is generally conceded, and that is, that at some stage of the game Senator Hill will produce his life-preserver and cast out for the shore.

(that mainspring of life) and supplies that Health which is lost by Sickness, Malaria, Overwork, Constitutional Weakness, Old Age, Debility and Excesses. We take Brown's Iron Bitters because it is the only iron medicine that will never cause Constipation or injure the Teeth." This is the Testimony of Doctors, Clergymen, Merchants, Professional Men and Ladies of every standing. Perfect Health for Ten Years! Perfect Health for Ten Years!

Chattanooga, Tenn., April 23, 1894.

In 1884 I was in Macon, Ga., and became so weak that I could scarcely stand up, and commenced to ache throughout my whole body. I procured a dollar bottle of Brown's Iron Bitters and began using it. In less than a week I was back at my work feeling as if nothing had happened, and stronger than before. Since that time I have used from one to three bottles every spring, except last spring, when, I am sorry to say, I neglected to take any, in consequence of which in August I lost one week from business, the first I had lost since 1884. I must say to suffering humanity to keep a bottle of Brown's Iron Bitters constantly in the house, to keep down large and uncalled for bills for medical service. For ten years I have taken Brown's Iron Bitters, and the result is that I have never had a doctor's bill to pay, except the 4.00 last August.

Yours very respectfully, ALEXANDER GOODE. It's Brown's Iron Bitters You need! YOUR HEALTH IS MORE PRECIOUS THAN ANYTHING ELSE. Admirable for Weak Ladles and Puny Children. You are Warned Against Fraudulent Substitutes.
